## Wedding photography packages

### Platinum Wedding Package

*The Platinum package offers a unique storybook approach to your special day, as our photographer covers the excitement of the bride getting ready, through to the high-light of the evening; the first dance.*

- **Photography:** Both reportage and traditional images by a professional wedding photographer. (Typically this includes over 500 images.)
- **Picture CD:** A CD containing all your pictures so you can view them at home, make prints and email them to friends and family.
- **DVD slideshow:** Professionally produced and presented DVD slide show for you to view at your leisure.
- **Proofs:** All images printed 6x4 inches in matt finish.
- **Creative artwork:** Up-to ten of your images transformed digitally, to include; black and white, spot colour, vignette and montage.

Package Price: £775.00

### Gold Wedding Package

*This option provides a good selection of informal and formal photos and is a more traditional approach to wedding photography.*

- **Photography:** Coverage of your wedding by a professional photographer from the arrival of guests at the ceremony through to the greetings at the reception, this package ends with a mock cutting of the cake, before the beginning of the wedding breakfast.
- **Digital Proof Picture CD:** A CD containing all digital pictures – so you can view the photographs at home, make prints and email them to friends and family.

Package Price: £645.00

### Silver Wedding Package

*This option is ideal for a couple who have friends who would like take pictures for the wedding, but would like a professional photographer to cover the ceremony location only.*

- **Photography:** Coverage of your wedding from before your wedding ceremony to approximately one hour afterwards by a professional photographer.
- **Picture CD:** A CD containing all your pictures so you can view the photographs at home, make prints and email them to friends and family. We will send your CD to you within 7 to 10 working days.

Package Price: £375.00

### Wedding Albums and Image Books

We provide a range of professional wedding albums by Spicer Hallfield, album prices start at £225.00 for a complete traditional wedding album containing 40 7x5 inch images. Photography Image books are hard back books printed by Photobox, these are a fantastic alternative to an album and are ideal gifts for parents, we charge a set up fee of £100.00 for each image book we layout, each couple can then order as many of these as they like, Image book printing is payable to Photobox via their web service.
